

B · Garden

A fresher, leafier green with a touch more chroma. Warm cream ground. Paprika is reserved for small signals. Mustard takes the secondary role — selected chips, the nav indicator, the no-photo tile — as a small golden highlight.

Amount: number in primary, w600, tabular; unit in onSurfaceVariant beside it. The amount never wraps; the name wraps on the left. No amount → name only. Optional → muted suffix. Unmatched → 14dp dashed ring in outline, never red. Flagged (import review only) → 3dp tertiary left edge on surfaceContainerLow. Used on recipe detail, import review and the shopping list. Divider vs unmatched ring: the divider is long (6dp dashes, 4dp gaps), horizontal, 1dp and in the lighter outlineVariant; the ring is a closed 14dp circle of short 3dp dashes at 2.4dp in the darker outline — different in direction, scale, weight and colour.

1

Kiseli kupus odvojite list po list, isperite ih u hladnoj vodi i odsecite zadebljali deo nerva da bi se listovi lakše savijali.

2

Na malo ulja propržite sitno seckan crni luk dok ne postane staklast, zatim dodajte mleveno meso i pržite uz mešanje dok ne promeni boju.

3

Umešajte opran pirinač, alevu papriku, biber i so po ukusu, pa sklonite sa vatre.

4

Na svaki list stavite kašiku nadeva, preklopite bočne strane ka sredini i čvrsto urolajte, a krajeve utisnite prstom da se sarma ne bi otvorila tokom kuvanja.

5

Dno velike šerpe obložite seckanim kupusom, poređajte sarme u krug jednu do druge, a između redova stavite komade suvih rebara i slanine.

6

Nalijte vodom da ogrezne, poklopite i krčkajte na tihoj vatri najmanje tri sata; pred kraj dodajte zapršku od brašna i aleve paprike i pustite da još jednom provri.
